Sin-Si (pinyin: Xīn Sì 辛巳) was the name pronounced as the Xin Sis-Sizi (Chinese character letters: Xīn Sì-Zǐmeans a period of time between 11AM to 1AM).

BETWEEN 3 TO 5.

IT'S HIS TIME TO RULE.

BUT THERE IS NO CAT IN ZODIAC.

DON'T YOU READ THE BOOK? IT SAYS HERE...
NO ONE IS GOING TO BELIEVE THAT BRAT!
HUMPH!

HE HAS GIVEN US TWO HOURS TO RULE FOR EACH OF US.
WHEN I FROZE TIME BACK THERE, IT WAS THE MONKEY'S TIME TO RULE. SHEEITALLY SO, HE BECAME ANGRY.
IN THE WORST CASE, HE WOULD HAVE CONSIDERED US DEMONS AND BRAVELY DESTROYED THE WHOLE TRAIN.
YEAH, HE'S CRAZED.

ANYWAY, ONLY THE GODS OF TIME ARE NOT BOUND BY TIME.
THEREFORE, YOU AREN'T A HUMAN. YOU COULD BE THE THIRTEENTH GOD WE ARE LOOKING FOR.

No way. That monster was a God?
Then, that means I belong to the same category as that monster?! No way...
That guy... Wha-Un... His hand turned into a bull's... At least it was because he froze the time for more than 10 minutes... Does that mean that not only God have the hand formed with a red mark of his previous form, but even the human does...? What's going on here?
DON'T LIKE YOUR TONE. YOU SEEM TO BE CONFIDENT WELL.
IT WAS BECAUSE OF YOU!
I've never had such a welcome reception. Is it going a bird on or something?

I don't get this! First of all do Gods really exist?
BY THE WAY... WHY WOULD GODS RIDE...?

!!
I WILL EXPLAIN THIS.
THAT'S...!

IT'S WRITTEN IN THIS BOOK.
IF ONE OF US FAILS AT OUR JOB, THE CAT WILL TAKE OVER.
WAIT. THE BOOK DID SAY IT ALL BEGAN EVEN BEFORE HUMANS SETTLED ON EARTH. THAT MEANS YOU'VE BEEN AT IT FOR THOUSANDS? HUNDREDS OF THOUSANDS?
I found a mistake!
IT DOESN'T WORK LIKE THAT.
WE ARE GODS BUT FOR THE CONVENIENCE WE BORROW HUMAN'S BODIES AND KEEP DISAPPEARING. BUT SINCE WE CAN'T AFFORD TO BE PERSON AS ANIMALS.
But What do you mean.....
WE CAN SELECT.

IN OTHER WORDS, WE'VE LIVED AS DIFFERENT HUMANS HUNDREDS OF TIMES, IF NOT MORE.
EH?
SO MANY TIMES THAT WE LOST COUNT...

You've probably never thought the same, although you can't see anybody probably yet.

Anyway

The reason we are seeking out the cat god is that

Sul (the dog) has done something that takes away his seat as a god of time.

He committed suicide.

Committing suicide is giving up the right to be reborn...

He will return to nothingness.

So, we need to have someone to replace him. That's where the cat god comes in.

Every one of us has a unique item to use. It's usually made from a part of our body from our first form...

I turned it into a watch.

Weakness for me.

Its abilities are activated when it comes in contact with the god itself.

We were talking down such an item and came to meet that woman.

So, that's the cat god's unique item...?

Possibly in here.

Once you touch it, you will become a god of time.

Hm...?
What is this?

A talisman??

What, is this piece of paper the item?

Can't be... I think we got it wrong.

Scott! You can't do anything right!

Sean, it will be fine! (The Dog?) Dear! What are we gonna do?

We... just have to hang in there!

Why is this my fault, again?

Um...

It's a talisman made by my mom... It's a talisman to attract good fortune.

That good luck...

Why would she make that?

Bec-use she is a shaman... and that is the most popular talisman that most shamans make. It's claims to use.. very old writing system that passed down for generations! Ohh

That's it!

It's the weirdest answer

Let's go!

We will get that weirdo brush and you will become a god or time!

Hurry!

I... am sorry but I'd like to refuse..

To become a god.

??!!!

What in the..

I haven't told you yet but I am in the last year of high school. If I fail the exam... I may or... don't I may not graduate. I can't afford to waste time like that in this crucial year.

So, I have to refuse.

I am sorry for blaming you before. I know I lost my temper when you told me that my ex was too attached to his boyfriend.

I really can't afford to lose. Why, you ask?

I must enter the university that my ex wants to enter... It is kind of... my way of exacting revenge on him...?

Well.. there are other animals, aren't there? Ducks, iguana, turtles, parrots, sea otters, and so on.

Find another one, okay?

Well.. at least now I know that gods exist. So I will pray once in a while. See you!

Wait!!

Wait!

No!

Ehh

I said, wait!

I said I am not going to do it!

You weren't taking us seriously, were you...

.....

Listen. You can become a god. How can you compare that to some exam?

You don't really have to. You were in the last year of high school. That is an excuse, don't it.

We don't really have time to waste for silly things like that!

You have no idea how scary time can be!
